RUMP RAM REVIEW

I wanted to write in and offer a few observations concerning Cassidy's comments about fatties and anal sex. Personally, it has been my experience that overweight girls have a special yen for ass-fucking.

My first chub, Cindy, was no stranger to dick but her pucker was definitely cherry. We were both seniors at the time and randy as hell. Even though Cindy wasn't all that plump, she could really blow cock and her cunt was pretty tight. Luckily, she was a grade-A slut so it didn't take much persuasion on my part to get to spread her chunky hindquarters for my poker.

Mabel, however, was quite different, maybe because she was older - thirty-five - and had more experience with rump ramming. Mabel was a friend of my mother's. She had bright red hair, a huge bosom, and thighs like tree trunks, with a butt the size of Siamese pumpkins. Mabel loved having her sphincter speared. Every time we got together the first thing she'd do after chowing down on my meat would be to bend over and wiggle her ample derriere in my face. Mabel was the only poker I ever had who could cum just from getting her bowels banged.

My next girlfriend, a 200 lb. brunette named, Esther, was extremely curious about fanny-hammering at the time we met, although she had never done it. I had to work hard on her. I started out slow by swiping my tongue along her ass crack while I munched on her velvety, black-haired twat, then progressed to jabbing my finger up her shitter during intercourse. Finally, she got the message and allowed me full access to her unused rear hatch. Despite promising her I'd be gentle, I wasn't. Once I entered her doggy-style and saw her enormous mounds rebounding off my rutting loins, I nailed her backdoor with every ounce of my strength. Apparently my aggressiveness didn't ruin her enjoyment because the instant I dumped my load in

her pooper she was begging me to screw her again!

These days I don't have any problem getting my fair share of elephantine anal action. My current live-ins, Karen and Rachel, are a couple of blonde, bi-sexual hogs who aren't happy unless they have something long and thick lodged in their buns 24/7. You can't imagine the weird combinations the three of us can devise to appease our lust! My favorite is to place them on their backs side by side, with their large legs pointed toward the ceiling. This provides me an opportunity to pummel their sphincters in tandem while they have the freedom to make-out,

fondle each other's doughy boobs, and diddle each other's clits until we reach a simultaneous triple orgasm!

Yes, there's no doubt in my mind that plump gals are partial to a good pucker-pounding.

- Craig G.

PS: I'd love to slam your caboose, Cassidy. Here's my number. Call me if you're ever in my neck of the woods and I'll introduce you to Karen and Rachel. We'll have a wicked hot time!

HOPEFUL HEFTY HUMPER

After seeing Kylee's photos in your last issue, and reading her trashy story, I just had to drop her a line to tell her how she's affected my life.

I'm a 41-year-old secret fatty lover who has been married to the same wonderful woman for almost a decade. Our marriage has been fairly idyllic except for a couple of minor flaws. One, Martha's a fitness fanatic and never lets her weight go above 125, and two, she hates sex. If she lets me into her pussy at all, it's only out of a sense of duty, and she can't stand the sight of jism. I mean she freaks if the smallest droplet lands on any part of her! It's probably better that she doesn't give me a piece too often, however, considering I have to imagine I'm humping one of your sexy models in order to raise my rooster before climbing between her legs anyway. Needless to say, your magazine and my right hand have become my main source of satisfaction, which is why Kylee's article made such an impression.

She's so damn beautiful that my boner started spitting goo the minute I saw her curvaceous form. But when I read what she had to say and realized what a sex maniac she was, her pictures took on a whole new relevance.

Kylee, you're the exact opposite of my wife in almost every way. You even resemble her - if she were about one hundred pounds heavier - and how I wish she had your lust for copulation! I've managed to sneak away many times since I bought the issue featuring your layout so that I can masturbate while gazing at your voluminous flab, and I always follow the same routine. I begin by carefully perusing your words until I have a concrete image of your slutty nature fixed firmly in my mind, then I study your pics and fantasize about what I would do to you should I ever get the chance. Normally it involves fucking your gigantic torso and bulbous belly, progresses to me eating your cunt and asshole, and results in the two of us screwing doggy-style! We occasionally do it in other configurations because, unlike my wife, you are very accommodating, but I always shoot my spunk straight into your gaping mouth - something Martha would never allow. You've made a definite impact on my existence, Kylee. Even though I usually throw my copies of Plumpers out to prevent my wife from discovering my kinky fetish I've saved your issue because I can't stand the thought of not being able to look upon your cherubic face and robust figure whenever I please. Your boyfriend, Duke, is a lucky guy. If only I could be that fortunate. Trust me, Kylee, I'd divorce Martha in a heartbeat if you ever became available. Does that make me obsessive? Maybe, but a man in my position has to have some hope for the future.

SAIGON SOW

I'm a Vietnam vet who also loves fat Asian chicks, and Aurora's pictorial in your last issue reminded me of my first time with a Far East heifer.

It was July of 1966. I was nineteen-years-old and in old Saigon for some much deserved R&R. Man, was I evergreen! It's a wonder I didn't end up with a busted head instead of a fetish for fatties. Naturally, I hit every bar along the boulevard and had quite a buzz on by the time I stumbled into the nudie show. As I sat there nursing a Molotov cocktail, a series of skinny Vietnamese cuties pranced out on the stage naked and performed a clumsy dance routine while flashing their hairy beavers at the crowd. To be honest, I was more interested in my drink than in ogling a bunch of anorexic skanks - until Keisha strutted out from behind the curtain. Think Aurora only a few inches taller, about thirty pounds heavier, and you'll have an idea of what this babe looked like. Christ! I had never seen anything more beautiful in my life. Kiesha opened up a whole new world to me the minute she shed her silky robe and proceeded to shake her over-sized charms around the stage. When she finally sat down, splayed her chunky thighs, and began banging a dildo up her puffy, clean-shaven pussy, my drowsy penis came to life. Catching my eye, Keisha went into a sexual frenzy, writhing and screaming insanely as she rode that phony pigsticker to a thundering climax. I knew I had to fuck her.

Several greenbacks placed in the bouncer's palm and ten minutes later I was in Keisha's dressing room ready for action. Regretfully, there was not a lot of foreplay. Keisha casually lost her robe, dropped to her pudgy knees, and guided my rigid cock straight into her soft, warm mouth without even a kiss! Grabbing a handful of her dark waves, I jacked my dick down her sucking throat at top speed for a while, then tossed another twenty on the floor and motioned toward the bed. Keisha knew the score; she was sprawled out flat on her back, legs akimbo, before I could get my uniform off! I think I surprised her when I cupped her enormous, olive jugs in both hands to nurse on her dusky endcaps, and then plowed my face into her blubbery pubes for a little Far Eastern snatch snack. Keisha was turning on fast, although I suppose if I had taken too long sampling her goodies she would have charged me more. I didn't. Instead, I bolted upright, drove my prick into her whoring Oriental cunt, and hammered her through the mattress. I'm pretty sure she popped her cork. I know I popped mine - smack dab in the middle of her

bunched, doughy stomach!

Thanks for the trip down memory lane, Aurora. I never got a picture of Keisha, so if you don't mind I'm going to tape one of yours to my shaving mirror.

Jammy

Janey stretches back and opens up her soft thighs as her painted fingernails trace a lazy line up to her moist pussy. "Mmmm, I can almost smell my pussy when I spread my legs, don't you wish you could too? The feeling of these panties pressed tight against my pink lips is making me crazy today." With a tiny shiver Janey lets out a sigh and cups her pussy with her hand.

"So many guys just want to rub all over my tits and feel me shake my jugs in their face. That may have been too much for the old me to handle quite honestly. Nowadays that just gets me warmed up for the real action.

Last week I went out and got myself the beginnings of my own porn stash. My guy likes certain girls and stuff, but I watched them too much and

wanted something different. I'm talking blow bangs, gangbangs and lots of lesbian stuff. Damn! That shit is so hot!

I've got a plan to have an all out no holds (or holes) barred fuck-feast with my guy. I'm hoping he catches my vibe and brings one of his hunky chubby loving guy friends over so they can really fill me up like I am dying to be serviced. If that doesn't work out, I'll just have him cram my asshole with his dick while I buzz my clit and pound my cunt with the band new vibrator I just purchased.

Oh my god! Did I just say I want him to fuck my ass? I must be really horny, I've never wanted that before, but now that I think about it..."

Janey is a horny lady with a secret that will make your head spin. This innocent looking insurance secretary by day is a hardcore porn fiend by night. "I really had an awakening not too long," confesses the chubby Janey. Before my man brought home some porn I was always kind of a prude. Don't get me wrong I really liked sex, but now, I fucking LOVE it! And it's all thanks to some filthy dirty porn movies!

I never knew that I could cum as hard as these sexy young girls cum; I always thought they were acting all horny and stuff. In my wildest imagination I did not believe that a woman could orgasm over and over again and yet here I am doing just that. It's funny that I wasted so many years just being a one and done type of girl."

PLUMPERS & BIG WOMEN **21**

**Loly
&
Marie**

Loly is a big, brunette and beautiful, sports a belly tattoo and a pierced navel, and will readily admit to being "a little wild." Marie is big, brunette and beautiful too, with curly hair, an anxious tongue, and paler nipples than her bosomy buddy. These big babes are steadfast lesbo lovers, and though a human penis may occasionally slip into the picture, the male member has been but a passing fancy since these two zaftig slit lickers hooked up when they were both selling real estate in Florida.

"I suppose if you had to use one word to define our relationship," says Marie, the mischievous one, "it would be FLESH! Flesh, flesh and more flesh, we're happy to have plenty of it and we've loved the way our bodies looked, smelled and tasted ever since the night we met at a cocktail party to celebrate a million dollar sale."

"Yeah," says Loly, "it was lust at first sight. When I saw Marie's curvy tits practically popping from her tube top, my pussy began to throb and drip, and I knew there and then that I needed to get breast to breast with this beautiful lady ASAP."

"Hey, and after four or five Grey Goose martinis, it was, well, that night!" laughed Marie.

"You sucked my nipples until they were sore!" "And then you brought out that vibrator; I couldn't believe you carried it around with you!"

"No, it was the double headed dong."

"No, Loly – it was the vibrator, darling, that big one, with the nibs, and the four speeds, with the head that spins in one direction, then another . . . it drove me . . ."

Well that was a lot of orgasms, warm showers, hot tubs, and baby oil massages ago, but these two horny hefties are still going strong, locking loins, cunt bumping, and eating each other out like their pulsating pussies were overripe mangos.

"Last week we flew out to Vegas," grinned Loly, "for some big fun. We got a room off the Strip, nothing special, and we started the evening with a nice warm bubble bath."

"There's nothing better," chortled Marie. "I got off several times before we even dried off!"

"Me too," smile Loly. Then we took turns sucking on each other's nipples."

"Her's are so dark and chewy!"

"Then I put the chocolate syrup on Marie's cunt, and when I finished eating her out. . ."

"It was time for that double headed dong!"

Well, we think you get the idea – these two could go on and on. But we'll just let these pictures speak for themselves, and let Loly and Marie get off . . . and off!

GIGANTIC BRICK-HOUSE BUTTS 4

Heat Index: XXXX

STARRING: Devious, Rylee Peyton, Mo Wetta, Venessa Lee and Talishious

DIRECTED BY: Mark Anthony

AVAILABLE FROM: Evasive Angles

RUNNING TIME: 150 Minutes

When you title your movie "Gigantic Brick-House Butts", you better be able to deliver on the big round bubble asses. My goodness does this big butt fuck flick bring the goods! Five ladies with the biggest dimpled derrieres you'll ever encounter bring the fury, as they get freaky for your personal pleasure.

The true star in this movie is Devious. The camera picks her up as she's taking a jog down the street in a tank top and tiny cut-off denim

shorts. These little garments cannot contain her massive spilling-over-the-sides buttcheeks. A lucky black dude spies her as he's driving and convinces her to get in his ride so they can go somewhere to fuck. Devious demands a big cock and the guy assures her he's got what she's aching for. After a slow tease where Devious sheds her clothes it's indoors for some big girl banging.

Now I'm no stranger to large butts, but Devious's backyard is just unbelievable. There are curves on top of curves in this lady's trunk. Everything shakes when she walks and moves her hips. Wow! Try to count to rolls as she gets fucked with her chubby legs spread wide open, it's impossible. Her guy decorates her doughy tummy with spurts of goo to end the action.

Rylee Peyton hops into her truck with a hot dog

23123

and a large drink. Her woodsman catches her and takes her back to his place. Rylee wants some thick sausage so her guy comes back in the room with his cock on

a bun. Putting your cock on a roll with mustard and ketchup and placing it in the face of a hungry plumper? Now that's bravery! Get this guy a medal.

Mo Wetta sporting some short short hair unleashes a wild per-

formance complete with groaning and grinding. Dig her getting plowed on a red sofa. Gotta love her extra thick and extra round asscheeks.

Talishious is the definition of superfreak. The cutest of the bunch Talishious handles a huge dick like it's a walk in the park. This chubby dick-licker has some mad cock chugging skills.

Latina big butt beauty Venessa is thick in all the right places. Once she gets going there is no

stopping this big train from jumping the rails.

Make some time to enjoy all the lovely sows in this monster butt certified release. TT Boy has delivered again! –Craig Washington

Heat Index: XXXX

STARRING: Brownie, Cherry Bomb, Mz. Pandora, Melody Nyte

DIRECTED BY: Mr. Fiftyonefifty, P.A.

Morales

AVAILABLE FROM:

Heatwave Raw

RUNNING TIME: 85 Minutes

Mz. Pandora and her man walk into the scene and get straight into the action. Wearing lacy white lingerie and stiletto heels Mz Pandora gets fondled for a bit before wrapping her chubby hand around her guy's prick. Deep throating his log all the way down, the lovely chub sucks him for all she is worth. The spit flows as he works her hungry mouth with his thick tool. With plenty of her spit coating his cock, Mz. Pandora gets drilled from behind with her face buried into the couch. Showing off her giant ass Mz. Pandora moans and gasps through the entire energetic scene. A thick frosty facial is her due reward.

Cherry makes her man wait so she can model an outfit for him. He likes what he sees and although upset about the cost he takes it out of her ass. Cherry pays him back with some hot fucking sex. Her massive pierced tits shake and

shimmy while she's getting plowed flat on her back. These go at each other for a long time and she is ultimately given a healthy load down the throat.

Brownie starts off on her hands and knees with her naked ass and pussy pointed at the camera. Her guy gives her butt a few playful bounces before she turns around to have her huge tits fondled and shaken. Brownie looks like she's going to fall over from all the stimuli and she gets to sucking cock with ferocity. Brownie is a big girl and she knows how to work her tongue all over her guy's cock and ball sack. Listen to her tiny moans when he bangs her flat on her back missionary style, it's hypnotic. When she gets railed doggie style; just the sight of her big beautiful

butt will make you want to pop. Finally she gets in position and her man blows his spunk all over her dark chocolate ass cheeks.

The final scene features Melody Nyte and her enormous butt and luscious tits. She mounts her man on a hotel bed and takes charge of the action. After a cursory cock sucking, Melody lies on her back and opens her legs wide for some deep dick drilling. Lifting her legs straight into the air her guy pounds at her tight hole without mercy until they change positions. Gripping the bed sheets for dear life, Melody is fucked hard from behind until the guy cums in her lusty face.

Four big babes sucking and fucking their way into your living room, come and get it! –Kevin Wood

Shannon

she recalls a particularly dirty fuck session she had with her latest beau. "He knew how much the color pink affected me sexually, so he went overboard and really decked out the room in everything pink. From the sheets to the lampshades everything I could see was draped in that soft pale pink color that drives me wild. He even bought me some extra nasty hot pink lingerie that I immediately soaked with my wet pussy juices. I squealed a little inside as I put on my lacy under things and almost fucked myself right in front of the mirror as I checked myself out. And I would have if my man weren't waiting for me on the other side of the door.

When I opened the door to the room there was my man, all 160 pounds of him, lying on the bed jerking his hard cock. I pounced on him like a hungry predator, but he was the one who going to be doing all the eating, if you catch my drift."

Shannon starts pulling on her nipples as she tells us, "I dropped my slick pussy onto his face and rode his tongue and lips as if I was galloping for the border and the sheriff's posse was on my tail. My guy had a talented tongue and he had me bucking like a wild woman as I came all over his cheeks and chin. I was so turned on I lapped my cunt sauce from his face as I worked my way down his tingling body.

Planting my lips on his rod I sucked him all the way down my throat as his big hands cupped my tits and squeezed my sensitive nipples. Letting out a deep moan, my nose brushed against his pubes as his cock pushed against my tonsils. I backed off his prick and saddled my pussy over his cock and started to really ride. Sweat was pouring off me and my hair was wet with lust as I fucked him and fucked him. I almost passed out after I came but my fuck buddy was still hard and raring to go.

I fell off of him onto the bed and he

Shannon works her curves like no other! "There's something that the color pink triggers in my pussy that I cannot deny," coos the chubby fuck maiden. "Being surrounded by this erotic color makes my skimpy white panties so moist and my nipples so hard... I am actually having hard time concentrating." Blonde curls falling around her pretty face, Shannon blushes as

grabbed my hips and mounted me from behind. He pounded my hole in doggie style for another eternity and popped a big load of creamy jizz across my ass cheeks. The last thing I remember thinking, before passing out as the warm trickle of cum flowed into my juicy pink slit and the pretty pink room spun around in my orgasmic haze, was "Gosh I sure love pink."★

Random Thoughts on How to Win and Please a Plumper: A Few Easy Love Lessons Worth Learning

21582

There's really no shortage of inspiration for my favorite subject: Getting pretty plumpers and admirers hooked up. You would think that as much as we'd both like to hit it off, we would easily overcome the obstacles and eliminate the misunderstandings. But, we all know that's just not the way it works! It's common for us to believe that the opposite sex not only understands what we think and where we're coming from, but to assume that their actions reflect our own thoughts and motives. This is where we get into trouble. OK, so it mostly gets you guys in trouble. In the ongoing battle of the sexes there hasn't been much progress. You still have to win us over to get what you want. Despite feminism's relentless attack on millions of years of evolution, not to mention inherent gender differences, men remain the pursuers and women the pursued. In the face of all the cultural advances and intellectual ramblings on the subject of men vs. women, it seems we've evolved full circle right back to where we started.

Men and women are very different. We think differently and process information in very diverse ways. I personally think it's a wonderful difference. Hey, flip through the pages of PBW and do a happy dance to celebrate these differences! It's not the big stuff that gets you guys into trouble. It's the petty details that most guys unwittingly overlook that get you busted! In this month's column, let's see if I can shed new light on the subject and help narrow the gender gap...and get you laid!

Don't Let It All Hang Out-or Better Yet-Don't Let Any of It Hang Out.

Women know that you love to watch. We know we can make you a little crazy by exposing our ample cleavage or letting a pair of hard nipples press against the fabric of a blouse. We've mastered the art of slipping off a stool so you can get a peek of stocking or lace-covered crotch. We know just how short a skirt needs to be to guarantee you an eyeful of chubby thigh

and a hint of panty covered ecstasy. These provocative previews are no accident (just in case you thought they were). You see we know what you like. You've made it so easy for us to figure out. Now, here is an area women are very different from men. You know you like it so it makes sense we'd appreciate a preview too. Uh... we don't.

You guys might assume that us gals think that a Speedo on a guy with, um, less than 6-pack abs is stupid looking. News Flash! We think Speedo's on all guys look stupid. I can think of a few times I've personally admired a guy from first impression. He

22825

had the normal chic-magnet pluses: nice smile, friendly demeanor and a healthy masculine body. He took off his jeans and exposed a Speedo or bikini jockeys and strutted. Not only was I not impressed. It was all I could do to suppress an un-ladylike gut-busting guffaw. At this point, trust me, there is nothing, I repeat, nothing, this poor, over exposed Romeo can do to reverse the damage. You may think that if you brazenly parade your equipment, we will be overcome with desire and quiver with anticipation. Nothing could be further from the truth. We like to be surprised. We insist on the subtleties of slow seduction and gradual familiarity. Overt sexual behavior and strutting appears threatening and destroys the illusion. Once gone, it's impossible to restore. If you want to impress a woman and get one step closer to precious booty heaven listen up! Be patient, always be subtle, and remember to keep you package packaged until we unwrap it!

If It's Good for You, It's Good For Us...Not

Excuse Me? You mean in our speed-of-light information age with the sexual revolution raging there are still men who believe this? Apparently so. From my informed sources, i.e., big beautiful babes, there are still lots of you unaware of basic differences in sexual response.

21375

22004

For a man, sex at its most primitive form is unzipping your fly and being stroked. The prerequisite for successful stroking is, well, unzipping your fly. Straight forward, uncomplicated and easy to understand. I wish it was that simple for a woman. Millions of years of DNA force us to view sex somewhat differently. First, we have to size you up as potential mates. At one time, this was undoubtedly based on how well you wielded your club over saber-toothed beasts or how fast you could get a fire going with the stick and rock thing. Now, the practical considerations are how we view your character, your ability to communicate, and if you're dressed in a way that reflects our values. In that same millisecond, we do a personal hygiene check. This mental checklist takes no time at all. It's called impression and perception and we do it the instant we "check you out". If we feel comfortable and unthreatened, and most importantly, un-offended, you are successfully on your way to second base. At this point we relax and decide if we want to be receptive to whatever you have in mind.

So, you're lucky enough to get a plump playmate under the comforter. Now what? I know you just want to get to the "good stuff". But wait! If you dive right in and forget

how very different we respond sexually, you'll be guaranteed honorable mention on the dreaded, lousy lover list. All women, especially voluptuous women love to enjoy everything to the max. A woman who can become orgasmic over the taste of chocolate is a sure bet to be a wild woman in bed if you take the time to do it right.

Spend lots of time on non-sexual touching. Stroke our hair and kiss places you may have overlooked. Granted, my research may be highly non-scientific, but a group of women casually intimate details can reveal some serious truths. Women love to be kissed softly and slowly and on places like necks and shoulders and that place behind our knees (yum). When you fondle our breasts do it softly and treat our bodies like a gift you have all night to unwrap. Learn to tease and enjoy the show as your slow pace makes us go nuts! You can't lose. Fight the urge to get it over with. I know your DNA is fighting this every step of the way, but it's our DNA you're trying to please!

If You Like it—It Has to be Good

Here is an easy place to get off on the wrong foot. If you hope to impress the goddess of your dreams, tread carefully here or you may blow it for good. For some curious reason, men like things like "the Three Stooges" and various other forms of slapstick humor. Why do I bring this up? Well, once a guy I liked and found myself totally attracted to invited me to his place for a pizza and movie night. I had a really great evening envisioned. In fact, he will never even know that he could have gotten "lucky". You see, what he had planned was a "Three Stooges" movie marathon. He was having a grand time. I must admit, I don't I've ever seen a man have a better time with his boxers on. Problem is, he may as well have been alone.

After about 20 minutes of this inane attack on my senses, I was not only bored and un-amused, but also wishing I was somewhere else. When the "entertainment" was over, not only did he not reach booty heaven, but was placed in permanent ink on the "do not return his call" list. This faux pas could have been avoided with a little homework. First of all, I don't know any woman that can stand the "Stooges". There may be one out there, but I've yet to meet her. You can avoid this bad move by just asking her what she likes. Don't assume we like the same thing you do. The same principle applies to camping, fishing and sports. Don't plan a first date using that spare ticket to the hockey game or the pro wrestling tour, Dittos for or movies with endless "fart" jokes....unless you've asked us first. Remember you're trying to win us over. I've been to lots of hockey games and found the evening very enjoyable because I liked the guy I was with and enjoyed the fact he was sharing his good time with me. Fortunately, for him our first date was dinner with wine, flowers and a romantic walk. He got lucky! Now that I like him, I may even let him get frisky while we watch the "Stooges" or WWE Smack Down together—as long as he's got the volume off, of course!

Hugs,

Chloe

If I had a dollar for every set of eyes that pop out their owner's heads when I walk by, I'd be a wealthy lady. It's like nobody can help himself or herself when they see me and my massive tits go sauntering by. It's almost like a game to me. It's not everyday that I feel this horny, but I will take one of these days over a normal one any time. Days like this make me want to fuck the first (and second and third) guy I see when I'm out shopping. If I'm lucky I can coax them out to my car for some quick tit fucking and cock sucking. SCOTT OLIVIA AND

“I guess I have to confess, that, like a lot of guys, I was kind of prejudiced against chubby, well, make that fat girls. I mean, everywhere you look, the message is always the same: you want that girlfriend with the perfect figure, the tight little bubble butt in the skin tight jeans, not a pinch of extra flesh, the pencil thin model type. That’s what you want, or you are supposed to want, and fat chicks are so gross, not sexy, and so uncool!

But that was before I met Olivia, one night at a party over at a friend’s house. Even though she was pretty darn plump, the more I checked her out, up and down, from her chubby calves to her luscious lips—the more I liked what I saw, especially that wide cute face, those hot Asian eyes, that sexy black hair, and her perfect skin, smooth as silk, not a blemish to be found. She was easy to talk to, and after a few drinks, we left the party, and ended up back at my place, where it didn’t take long for us to get naked. Her big round tits were soft and warm as custard, and when she wrapped them around my shaft as she sucked my cock, my pent up balls shot spurt after spurt of hot cum into her mouth. She swallowed some and let the rest dribble down her chin and onto her tits. She rubbed the spunk into her boobs, looking up at me and batting her beautiful eyes, pressing my moist cock against her cheek.

I was hooked. Oh sure, we did a lot of screwing that night, and in the nights to come. Olivia loves getting plowed deep and hard, and with her big meaty thighs wrapped tight around my butt, she turns me into a human piston, pounding away at her wet tight pussy until she can’t stop cumming. But when it’s time for me to get off, Olivia knows that for me, nothing beats pumping a huge load down her lovely, willing, totally relaxed throat.

I’m one lucky son of a bitch, that’s all I got to say. Olivia is one of those babes who just love sucking cock, and it shows when she wraps her lips around my bone. She closes her eyes and lets me sink it in all the way, and then rotates her head in little circles until my balls churn. When I blow she swallows. Chubby or not, with my cock buried in Olivia’s mouth, she’s looking more beautiful to me every day! ★

The Kind of Foreplay Women Really Need Some Mattress Moves that are Sure to Please

Hey PBW lovers! I know that when you've been in a relationship for a while it's easy to get into a groove and get comfy in the sack. While this is great on many levels (sex is actually better in a close relationship) getting too comfortable can lead to boredom or apathy. Granted, sexual desire and libido has ups and downs but the downs need to be a time to regroup and re-evaluate. I'd like to think of down time as a breather where you come out swinging with some new material and a bag of tricks to make your lover tingle with renewed interest. Women love to have you mix it up and surprise them with a different kind of foreplay. A little more of something they love with something totally unexpected tossed in. Not only does keeping it fresh excite your partner, but her renewed passion and interest will rekindle your libido as well. I know there are a few simple things you can do to re-ignite the flames of passion and it's easier than you might have imagined. Here are a few things she's been wishing for

Hearing How Excited She Gets You

Believe it or not, a frequent comment I get from women is that as much as you guys seem to love having sex, you are strangely mute on the subject. Said one outspoken plumper "I can't even tell when my lover cums. He doesn't say a word...he barely breathes heavy. It makes me wonder sometimes if I'm really turning him on." Imagine what a turn on it would

be if before even touching, her lover whispered how hot he is just thinking about making love to her. I know that men aren't really into sensual, I pre-sex talk, but for

21375

a woman it creates a sense of desirability and anticipation; both of which increase her craving for sex. Don't be afraid of getting explicit. Tell her that you literally ache to touch her, that her breasts are soft, that just thinking about how wet and hot her pussy is has you throbbing. Touch her hair, run your hands over her soft curves and folds and tell her what you feel, avoiding her nipples and genitals. Trust that your verbal foreplay will have her tingling with expectancy. While you are having sex, let her hear you breathe and moan with desire. If you have been the quiet type up till now, this new and unexpected you will put a whole new spin on things. Your partner will love it.

Having two Body Parts Pleasured at Once

After planting a soft, almost innocent kiss on her lips, gently coax her tongue into your mouth. Gradually make your kiss more urgent by licking and sucking the tip of her tongue. This type of intense kiss suggests a very primal passion that women absolutely crave. While your mouth is on hers, slowly move your hand to her pubic area and cup her mound in your hand. Gently rub the pubic arch with the palm of your hand... soft and gently at first and then

harder as the kiss progresses. This duet of sensations above and below will be ultra-pleasurable and make her literally squirm with anticipation. Don't give in too easily.

Continue this passionate teasing until she is begging for you to do more. You holding back the expected progression of things as well as the slow kissing will spark a flame that may surprise you. Promise!

69.....Sideways

We all know the standard practice of 69—one of you on top while pleasing each other orally—is smoking hot. But here's the thing: It can often be awkward for either of you to position yourselves at an angle that is equally pleasurable without resulting in muscle strain. So, instead try this spin. You and your partner lie on your sides, your face by her pelvis and vice versa, each of you bending one knee so you form a triangle-like frame around your pubic areas. Not only does this give you better access to her V-zone so you can pleasure her longer, but it allows you to see each other's facial expressions and watch the satisfaction on each other's faces. This position is not only more comfortable but is far more appealing to full figured girls that might otherwise be self-conscious being on top. What I can tell you is that this position got the double thumbs up from the ladies that tried it. If your partner had been reluctant to engage in a little mutual oral action before, surprise her with this new take and see what happens.

Never Slack off on These Things

So we have a few new goodies to try in the bedroom to kick the heat up a notch. But, while I'm at it, I have to mention a few things that you guys need to be on top of all the time. Even an intimate, close relationship requires some primping to keep things hot. We ladies are fussy about some things, so in the interest of you keeping your lover happy, I thought I'd mention these must do's to keep you out of trouble and keep the fires burning.

Good Grooming

One of the perks of having a steady relationship is that you don't have to be as hardcore about keeping up

your appearances. However, remember that when you shave, put on cologne and a nice shirt, she feels like you still care about looking good for her.

Let her know she is worth the effort and don't get overly lax about your appearance. Remember how much time a woman invests in grooming and primping for you and return the courtesy.

Bottom line: A well-groomed, clean-shaven, guy is more of a turn-on than a suitor in grimy sweats with day old stubble. Get the picture?

Kissing Her Hello...and Goodbye

Ok it's a given that you like kissing your honey, but sometimes when you come home from a long day it may not be the first thing on your to-do list. You turn on the television, grab a cold drink, but do you give her a hello smooch?

Well, you better! According to Bobbie Reid, author of *Clueless: Real Solutions for Men Who Don't Get It*. "A kiss when you're coming and going is an easy way to stay connected and make your partner feel loved." Make a point of kissing your partner hello and goodbye. Remember this with your good-bye morning kiss: Good lovers begin making love a long time before bed. Give her something to make her think about you all day. Great advice!

Remember to Surprise Her

To ensure that things don't get stagnant, you need to keep her on her toes. That means taking her out for surprise dates or getting small gifts when

22004

22026

she least expects it. Women are hopeless romantics. I can assure you that a small bouquet of daisies for no reason at all, says more than roses on a special occasion. This kind of thoughtfulness not only perpetuates a sense of fun and romance but it lets her know that you are thinking about her. A woman that feels cared for and cherished is likely to be an eager and receptive sex partner. Remember guys: it's the little things that matter most sometimes.

Till next time...

Sasha

Sasha wants you to think that she's a good girl. Believe it if you wish, just be prepared for a whole heaping helping of shocking naughtiness if you dare to take this tubby temptress home. "Just cuz I read an occasional porn magazine doesn't make me a bad girl does it?" teases the plus sized Sasha. "And if I just so happen to get really turned on looking at ALL of the hot sexy girls spreading open their thick thighs and showing off their jiggly tits, it doesn't mean I'm dirty? So what if I can't keep my clothes on and my fingers out of my hot snatch during the day when I feeling just a little extra randy? I'm not a slut huh? And really does it make me a whore if I hunt down and fuck the first guy I see when I'm overcome by this (almost constant) horny mood? Okay, so maybe the last thing does make a little bit easy, but can you really blame a sexy horny babe like me?"

The lucky guy this time was a delivery guy who dropped by Sasha's house. "I woke up so horny that morning and by the time the delivery guy came at 11, I had already gotten my pussy off twice. Answering the door in nothing but a smile I grab the unsuspecting guy by the collar and I had my way with him. Nothing compares to a guy's rough hands massaging my overflowing chest and gripping my hard nipples in between his meaty fingers.

I turned to jelly as his fingers lightly pinched and pulled on my sensitive nips and I swooned when he jammed his tongue down my throat. Reaching out I closed my fingers around his hard cock and gave his hardness a long squeeze

and slow tug. Pulling off his pants I put my face in his crotch and slowly started to suck him deep down my warm throat.

Just as he was about to shoot his load I backed off and turned around so he could fuck me properly from behind.

I was expecting to feel his cock ease into my wet cunt but he surprised me by pressing against my asshole with his thin hard dick. It felt wonderful! Once it was all the way in he slipped a finger or two into my pussy and used some of the pussy juice to lube his prick.

His tool buried its way in my ass a little at a time until it was lost inside my rectum. With my asshole filled with dick, I finger fucked my pussy until I was out of my mind in pleasure. A loud scream erupted from my lips and I came HARD and at the same time the delivery guy shot his warm and sticky dick cream all the way up my asshole.

Lying quivering on my mattress I lethargically signed the release form as my delivery guy dressed and left to complete his rounds. As his cum dribbled out my ass and my pussy still experienced some minor quakes I drifted off to a long restful nap.

None of that makes me bad right? I'm still a good girl, just ask the delivery guy, he'll say I'm the best! ★
